II. Narrative**a. Describe alleged maltreatment: current and past; the surrounding circumstances; and the frequency; or intervention or services needed for the child.**

Reporter states that there is a 29 year old female named Tamara (Tammy) M. Loertscher that was admitted to the Mayo Clinic in Eau Claire, Wisconsin on Friday August 1, 2014 for mental health concerns/suicidal concerns. During her stay at Mayo Clinic, Tammy tested positive for methamphetamines, amphetamines, and THC. Reporter also states that it was confirmed that Tammy is 3 months pregnant. Reporter also states that Tammy has used alcohol during her pregnancy as well, to the point of blacking out. Reporter states that Tammy has been prescribed Prozac since Friday August 1, 2014. Reporter says that Tammy reported that "her and her boyfriend have been trying to get pregnant for a while." Reporter says that Tammy confirmed that she used THC everyday, until she found out that she was pregnant, the use now is 1-2 times per week. It was reported by Tammy that there was a sexual in nature video that was made of her and "shown around town."

b. Describe the child(ren)'s injury or conditions as a result of the alleged maltreatment or services needed.

Tammy is 3 months pregnant with an unborn child and has tested positive for methamphetamines, amphetamines and THC at the Mayo Clinic in Eau Claire, Wisconsin. She also admits to excessive alcohol use. The physician is stating that this behavior is putting the fetus in serious danger of harm.

c. Describe the child(ren)'s current location, school / daycare including dismissal time, functioning, including special needs, if any, and highlighting current vulnerability.

DESCRIBE ANY PRESENT DANGER THREATS, INCLUDING A DESCRIPTION OF POSSIBLE OR LIKELY EMERGENCY (EXIGENT) CIRCUMSTANCES.

i. Dangerous (life threatening) living arrangements are present.

Tammy's use of both alcohol and drugs is both significant and serious. It is reported by Tammy that she continued to use both alcohol and drugs even after finding out she was pregnant. She reported drinking until she blacked out and using THC daily but cutting back to one or two days per week once she learned of the baby. She tested positive for Amphetamines and Methamphetamines and THC at a MH facility. This was when she was well aware of the pregnancy. A physician from the facility she is receiving MH services states that this use puts the fetus in serious danger of harm.

j. Parent is intoxicated (alcohol or other drugs) now or is consistently under the influence.

Tammy tested positive for Amphetamines and Methamphetamines and THC within the past 3 days. She also admits to consuming alcohol.

THE FOLLOWING SECTION MUST BE COMPLETED FOR ALLEGED MALTREATMENT BY PRIMARY CAREGIVER OR PARENTAL CONTRIBUTION TO THE MALTREATMENT:

k. Describe the parents or adults in the parental role: current location, functioning, and parenting practices and views of child(ren).

Tammy is currently at Luther Mayo Clinic in Eau Claire, Wisconsin. Tammy did report that she is willing to receive help for her AODA issues and wants to quit using and stay sober.

l. Describe the family functioning, strengths and current stressors.

Unknown
